CONTACT: MFBF Director of Marketing and Communications, katelyn@mfbf.net

MARLBOROUGH, MASSACHUSETTS – May 25, 2021 – It's been a remote year. Remote work, remote sports. Now, there's remote solar! Massachusetts Farm Bureau Federation (MFBF) members can now go solar, *no roof required* by subscribing to an offsite solar farm. MFBF has partnered with Clearway Community Solar to further our collective mission of supporting renewable power in the Commonwealth. When you join a Clearway Community Solar Farm, you can support locally-produced solar energy for the

Massachusetts power grid, and receive a savings guarantee on energy costs. Through our special partnership with Clearway, there is no sign up cost, no cancellation fee, and for everyone that joins, Clearway will donate \$150 to the MFBF to support our programming.

This new partnership with Clearway is a great way to help reduce the dependence on fossil fuels and support a greater contribution of renewable power to our local grid. And while you're helping the planet, you'll save along the way.

To learn about supporting renewable power and Clearway's savings guarantee, please visit www.clearwaysolarfarm.com/MFBF. Use **promo code: MFBF** and enroll online in just 5 minutes. Or, call 1.866.520.0748 to speak to an energy consultant. No home audits are required and there is no rooftop installation.

Terms & conditions apply. Please see the Clearway Customer Agreement for details.
